RE: RECOMMENDATION LETTER – JACQUELIN GREIG, INTERIORS BY SKAPARI

The Radisson Hotel Group Design & Technical Department has had the pleasure of working with Jacquelin Greig and Riejean Joubert on the Radisson Blu Bishoftu, Ethiopia, Radisson Blu Sal Cap Verde, Radisson Collection Lagos and a AAA project in Zambia soon to be signed.

Jacquelin Greig and Riejean Joubert have, throughout the years of working with us, displayed a high level of professionalism, dedication and commitment to quality, and their extensive skill set and experience across Africa and beyond is clearly displayed in the level of quality produced. They have played an integral role in the development and execution of these projects, they work well within the project team sphere, and have always found solutions to problems and overcome numerous challenges during the development and construction phase of these properties, always willing to go "above and beyond".

Jacqueline Greig and Riejean Joubert are true team players, and cultivate a great working relationship between Owner, themselves and the rest of the team. They always achieved, and in some instances exceeded expectations in terms of design and international standards required by us as an international operator.

Jacquelin Greig and Riejean Joubert are a tremendous asset for any project and they have my highest recommendation. Should you have any further enquiries, please do not hesitate to contact me.

Best Regards
